WORK EXPERIENCE

Johnson Brothers Liquor Company, St. Paul, MN June 2017 – Current

Driver/Merchandiser

Work as a driver and merchandiser for a liquor and beer distribution company based out of Saint Paul, MN. Make sure invoices of product are loaded and delivered to the destination accurately and safely. Service the location as needed and finalize payment from customer. Rotate and build displays of product as specified by customer.

Kelber Catering, Minneapolis, MN

June 2014 - January 2019

Banquet Server/Bartender

Work as a banquet and catering server as well as bartender for various events at the Convention Center in Minneapolis. Continuing to develop strong communication skills, efficiency in work tasks, and accuracy of food and drink requests all while maintaining a professional presentation and positive attitude. Work within a team setting and individually to make sure that clients and guests have the best experience achievable.

United States Postal Service, Northland District - Saint Paul, MN July 2015 - August 2016

Rural Carrier Associate

Sorted and organized mail for delivery. Delivered mail safely, securely, efficiently, and accurately on established routes by vehicle. Serviced customers as needed on routes with questions regarding delivery or collection of mail/parcels.

Express Professionals Temp Agency, Plymouth, MN November 2009 - May 2015

Banquet Server

Worked as a banquet and catering server for various events around the Twin Cities as assigned. Developed strong communication skills working with fellow employees, guests and clients of the events.

Shamrock's Irish Nook, Saint Paul, MN

October 2011 - May 2015

Line Cook

Worked on the line in the kitchen cooking food in a very fast paced environment. Developed very efficient time management and strengthened my communication skills between back of house and front of house employees. Focused on a high level of food quality, accuracy of orders and maintaining a very clean and organized work space.

University of Minnesota, Minneapolis, MN

March - September 2009

Landcare

Maintained the grounds of the East Bank University of Minnesota. Worked within a team setting as well as individually with an objective to make sure the grounds were groomed and the vegetation was growing properly.

Carlson Companies, Minnetonka, MN

May - September 2007

Data Entry Clerk (Clerical) Internship

Work experience included the use of Microsoft Office applications, copying of documents, receiving/delivering mail, scanning of documents, use of phone system, and filing documents. Developed a strong set of skills in problem solving, organization, and thoroughness.
